- Wire plug & wiring diagram supplied with the switch
- Tens of existing designs
- CUSTOM designs available. Show the designs you love on switches with little extra cost

SWITCH TYPE

DASH PANEL

DASH LIGHT

Dash Light		Switch Activation	Light Effect
Off		Off	No Light
On		Off	Red Light
On		On	Amber Light

- With dash lights switched on light illuminates **RED** matching the factory red illumination
- When switch is activated the light changes from **RED** to **AMBER**
- The **RED** light has an Independent wiring circuit to connect to your dash lights. You can connect it to the dash light circuit or leave off, it's your choice.
- The **AMBER** light is dependent of switch operation
